

SKETCH #15

TIPS

Use a piece of ribbon, baker's twine or the bow builder punch for the ribbon accent.

Use a piece of your favorite Designer Series Paper for the first layer or use a piece of card stock that has been embossed with a Texture Impressions Embossing Folder.

Use the Layering Circle Framelits for the circle. Layer a scalloped circle behind for more dimension.

Don't forget to make a matching envelope using the Envelope Punch Board!
